

PE and Sport Premium Report 2016/2017

Sport Premium is an amount of money which the government has agreed to allocate to schools until 2020. The funding amount schools receive is based upon the number of children of primary age the school has. The sport premium is to be used to Increase the quality & breadth of PE & Sport provision, and increasing participation in PE & Sport.

At Bushfield Infants School, we strive to promote healthy and active lifestyles and aim to provide sporting opportunities for all our pupils. Through PE and sport our children learn to develop important qualities such as discipline, communication, team work, sportsmanship and ambition, leading to improved concentration, attitude and academic achievement.

The 2016 - 2017 Sport Premium funding was £8,600

The funding has been used for:

| | |
|--|---|
| £2250 | Local School Sports Partnership, including SSCo support. Including staff training |
| £399.00 | New sports equipment to support in PE lessons. |
| £2500 | Supply Costs to cover staff CPD, development of PE leader. |
| Street beat - £525 Pre-pedal - £1,190 Mini Kicks (price TBC) | Coaches to enhance and support the delivery of PE (list coaches/sessions) |
| Activity day at the Pods (price TBC) | Curriculum enhancements (Day at the Pods) |

Impact of the funding

- The profile of P.E. has increased meaning it has increased status within the school.
- Teacher training and the introduction of new schemes of work has increased the confidence and skills of class teachers in delivering high quality PE lessons along with support from our SSCo
- The curriculum has been enriched with opportunities for pupils to participate in sporting events and new opportunities such as Archery, climbing, balance biking, OAA.
- The range, variety, quality and expertise of after-school sporting provision has been maintained throughout this academic year. Multi-sports, gym, street dance.
- Opportunities for less confident individuals to participate in sporting activities are organised through our school cluster. Bench ball, New age kurling, boccia, sports hall athletics.
- Through the development of intra and inter school sports competitions, the vast majority of pupils are able to experience competitive sport, playing as part of a team and feel great about achieving success.
- More children are participating in out of school activities, improving social interaction and promoting a healthier lifestyle.

The school continues to invest in the School Sports Network as a means of accessing a range of staff training opportunities whilst also benefiting from an extensive range of sporting events and inter school competition to enhance existing provision. This is seen as an important aspect of sustaining the effects of PE funding in subsequent years.
