Show your grown ups how you form your letters on the Mats above.

Now show them where they fit in the lines. Tall letters go from the red, small letters in the grey. **Remember all letters start at the top.**

The image shows a series of 12 sets of handwriting lines. Each set consists of three horizontal lines: a top red line, a middle grey line, and a bottom black line. The sets are arranged vertically, providing a template for practicing letter formation and placement.
