BUSHFIELD ROAD

SCUNTHORPE

21.04.20

Dear Parents/Carers,

We hope you all had a restful Easter break and welcome to our very first remote summer term!

We've all had to adapt to new ways of working, so we wanted to take the opportunity to say what an amazing job you're doing supporting your child's wellbeing and learning during this time.

It's definitely been a strange and challenging time, so it's ok if you and your child feel wobbly and worried at the moment. Remember, if you have any concerns about helping your child learn or you need any other support from the school, please let us know.

We miss the children very much, but we must follow the government's guidance to keep everyone in our community safe. So, we're carrying on with daily provision at school for vulnerable pupils and children of critical workers.

But just because we're not all in the same building, doesn't mean we can't continue learning and having fun! Your children will have lots of activities they can try over the summer term - so keep a close eye on our school website www.bushfieldinfants.co.uk for further information.

You may have already heard on the news that Oak National Academy is providing online lessons for parents and children to access without cost. The online classroom can be accessed via <https://www.thenational.academy/> Select 'Schedule' and then choose your year group to find your relevant daily lessons. If the activities are too challenging, then access the year group below.

You can also sign up to Weekly 'Home Learning Resource Packs' from Teacher's Pet - available to download completely free of charge for the duration of UK school closures www.tpet.co.uk

Here is a link to a science website with some lesson plans that you can follow at home. They are only focused on materials in science but they are accessible and informative. <https://www.ase.org.uk/ase-coronavirus-hub-primary-remote-learning-resources#>

Don't forget daily lessons are also available via [BBC Bitesize](#) for Key Stage One (Year 1 and 2)

See [DFE resources](#) for a full list of online education resources.

We would also love to see the children's fantastic learning at home. Perhaps they could write a letter to their teacher to let them know how they're getting on with their home learning or send us some pictures.

We can't say yet when we'll be able to open the school fully, but rest assured that we'll continue doing our best to keep your child learning and our school community connected.

Stay safe

We hope to see you all again soon

From everyone here at Bushfield Road Infant School ☺
