Children not going to this junior school will have other transition dates.

PARENTAL/ADULT RESPONSIBILITY

Please can parents/adults be aware that it is their responsibility to supervise their children on the playground in the morning before school is opened at 8.45am and at the end of the school day when the children are collected.

We would be grateful if children would **stay off the grass, the activity trail, garden areas** and please make sure children **don't climb over the mushrooms and daisy table**. Please help by encouraging them to play sensibly whilst waiting to come into school. Parents are also reminded that it is their responsibility to lock their bikes and scooters up when bringing them into school. Thank you for your co-operation with these matters.

SUNCREAM AND SUN HATS

In the warmer weather please make sure your child brings a sun hat with them into school and has sun cream applied before coming into school. Staff can not apply sun cream.

PARKING

Please would all parents park considerately on the roads around school, being particularly careful not to park in such a way that blocks driveways. Please also be mindful that parking opposite driveways on narrow roads makes it difficult for residents to get in and out of the drives and can block access for emergency services. Thank you.

THANK YOU

A huge thank you to our school governor, Ashleigh Layzell for the kind donation of cookery equipment to replenish our DT supplies. We are very grateful for your contribution.

We look forward to seeing you on Monday 2nd June 2025
